### FOR HIM

TRIPLE FIVE SOUL FOR EQUINOX

*triple five soul*

At this year's Sundance Film Festival, gift bags stuffed with Triple Five Soul quickly made the brand one of the most in-demand sportswear lines of the season. Equinox is proud to announce their newest private label line from Triple Five Soul, comprised of pieces from the trendy line available exclusively at select Equinox boutiques.

### FOR HER

ZOBHA

zobha

Recently launched in 2008, Zobha is the hottest new line on the gym floor today. The performance based collection is comprised of pieces that look as good as they perform. The line is made of a high-tech Supplex/Lycra blend to ensure maximum comfort and quality, and thoughtful details such as screen printed labels and flat seaming put this label a step above the rest. The Shop at Equinox is proud to be among the very first retailers to carry the up and coming line.
